One Town, One Read is a community reading program

Its goal is building community spirit & literacy through a shared reading experience

We are reading Notorious RBG by Irin Carmon & Shana Knizhnik (Adult & YA) and Ruth Bader Ginsburg: The Case of R.B.G. vs. Inequality by Jonah Winter is available for younger children

In keeping with Justice Ginsburg’s life-long fight for social justice, civil rights, women’s equality, and the importance of education, the libraries and partnering organizations are presenting a number of programs on these themes

Programming runs mid-March to mid-April, please see our full program listing (keep supply of fliers and bookmark’s on circ desk)
